

VISUAL GUIDANCE AND WIPER FUNCTION

The visual imprint of the matting is customised to the premises and colour of the floor.

CLASSIC PRINT.

Classic Print is a wiper mat for highly frequented areas. The visual guide strip is imprinted into the mat and becomes a functional part of the accessibility enhancement. The mat is manufactured in a PET yarn, with 50% recycled content which creates a beautiful lustre and colour fastness. The back of the mat is made from thick, robust nitrile rubber with reinforced edges. The result is a high-quality washable mat with a long service life that effectively absorbs moisture (3-4 litres²) and traps dust, sand and dirt.

The mat is available in a wide range of standard sizes and can also be custom-ordered, max. width is 200 cm, max. length is 550 cm.

TECHNICAL DATA

	Art. no.
Material:	Continuous filament PET yarn with 50% post - consumer recycled content, perforated back in nitrile rubber See table >>
Dimensions (tolerance +/- 3%)	Standard sizes or made to measure, max. width 200 cm, max. length 550 cm.
Thickness/weight:	12,5 mm Pile weight: approx. 900 g/m ² Total weight: approx. 2,900 g/m ²

Size, width x length	Art. no.
